

## Tips For Selecting

# A Versace Perfume

Determine and choose the smell that best suits your purpose of use.

Choose the smell that you usually like to wear and buy something similar.

Avoid trying too many perfumes at once, as they may confuse you more.

Try to feel the essence of the perfumes and take notes of those feelings.

Check for longevity and choose the one with a long-lasting fragrance.

Choose the fragrance that you can wear on all occasions.

Make sure the perfume suits all skin types.
