## Selection Advice For Educational Toys For 7-Year-Olds

Choose toys to help develop their social, emotional, and cognitive skills.

Look for toys that can promote creativity and imagination.

Opt for challenging yet simple-to-understand games, such as building blocks.

Keep in mind your child's interests and preferences when selecting toys.

Look for toys that promote specific skills you want to nurture in your child.

Pick toys that meet all the safety standards.

Make sure the toys are made of non-toxic materials and have no sharp edges.

Choose lightweight toys with sturdy and durable materials.
