

# MASTER THE ART OF CARD TRICKS

HERE ARE SOME WAYS FOR CHILDREN TO PRACTICE AND MASTER CARD TRICKS.

Practice the shuffling to do it seamlessly and quickly in different ways.

Use old cards since they are easier to shuffle and manipulate.

Prepare a set-up where the audience can observe you and your tricks closely.

Keep the audience engaged in talking and distract them with rapid questions.

Learn to count without moving the lips.

Add the classic dramatic expressions and actions.

Never reveal the secret and let them keep wondering.
