## Braids For Girls

### For Long Hair

#### Semi milkmaid braids

Create a classy look with two braids using small sections of your hair and then wrapping them up as a crown across the head.

#### Bun-braid-bun

Give a twist to a classical top bun with a small braided section of hair wrapped around the bun.

#### Bubble braid

Try a super trendy chick hairstyle by tying a ponytail into small puffs using colorful rubber bands.

### For Short Hair

#### Messy ponytail

Try an effortless look with this easy hairstyle where the hair is put in a ponytail and then weaved into a messy braid.

#### Diagonal weaving braid

Create an interesting pattern with this hairstyle where the hairs from the right and left sides are braided diagonally to the back of the head.

#### Twisted fishtail braid

Give a twist to the classic fishtail hairstyle by braiding and weaving them at one side.
