

Interesting Newspaper Craft

For Children To Try

Newspaper tree

Cut one side of a newspaper into thin slices without touching the edge, and then roll the paper in tapered form to make a tree-like image.

Recycled newspaper flowers

Trace out flower shapes of various sizes from a newspaper and color them to add to a painting.

Newspaper sailor hat

Help your children fold a newspaper to make sailor hats from it.

Cute newspaper koala

Using origami or paper-folding technique, fold the newspaper into a cute, cuddly koala.

Newspaper birds

Fold the newspaper into small tiny birds using the proper origami technique.

Newspaper heart streamer

Cut the newspaper in a heart shape to make a heart streamer to decorate your place.

Newspaper roses

Cut thin, long strips of newspaper and fold them to make roses from them. You can also color these strips to get colorful roses.

Newspaper building blocks

Fold the newspaper as coils, triangles, rectangles, and other shapes to make DIY building blocks for children.
