

Cardboard photo frame

Make beautiful frames with cardboard boxes. Use paints, markers, stickers, or any other decorative materials to add color and personality to the frame.

Wooden photo frame

Use a paintbrush and acrylic paint to transform an old frame into a brand-new one. Use fine-grit sandpaper to lightly sand the surface of the frame. This will help the paint to adhere better to the frame.

Seashell picture frame

Adding seashells to an old picture frame can be a fun and easy way to give it a beachy, coastal vibe. You can create patterns, such as a border around the edges of the frame, or randomly place the seashells in a more organic way.

Puzzle picture frames

Clean an old frame thoroughly and stick the puzzle pieces onto the frame using glue.
