

Inspiring Messages

To Send To Him At

Night

"It is the existence of darkness that makes the day bright; may you shine the brightest each day; good night, sweetheart."

"Close your eyes, dream for a successful future, and trust in all good things; good night."

"Feel your heartbeats, close your eyes, make a wish, and sleep tight; good night, my lovely."

"May you achieve all that you desire; I believe in you, and so should you; good night, dear."

"You are the knight in shining armor; you vanish all my worries; good night, my dear prince."

"Success doesn't come overnight; keep working hard towards it; you are going right; good night."
