

# Unique Ways to Express Love

## To The Unique People In Your Life

### Parents

Take responsibility for doing household chores each day. Spend time listening to their experiences and thoughts.

### The foodie cousin or sibling

Surprise them with a spread of their favorite dishes or take them to a buffet with you paying all the expenses.

### Your best friend

Plan a getaway your friend had always been planning, but you were postponing. Buy all the tickets, make all the stay arrangements, and throw a surprise.

### Your neighborhood crush

Invite them for a garden picnic or a restaurant to get to know each other better. Help them in community activities.

### The friend who lends you money

Take them out on a local holiday or an expensive buffet with all expenses paid by you.

### Your pet

Do not forget your pet! Take them to their favorite spot or a pet park and treat them with their favorite snack. Spend the entire day with them.
