

Instagram-Worthy Phrases For Your Wedding Pictures

He stole my heart, so I decided to steal his last name.

Complementing and completing each other.

You don't marry the person you can live with, you marry the person you can't live without.

Marriage? It has a nice ring to it. The proof is here!

I need you the way the moon needs the sun.

Ever since I met you, my face has looked like a smiley emoji.

Congrats on being stuck with me forever!

We have tied not only the knot but also our hearts and souls.
