

# Benefits Of Using A

# Pacifier Clip

Prevents the pacifier from falling on the ground when the child spits it out

Anti-fall feature keeps the pacifier clean and hygienic

Reduces the need for frequent cleaning of the pacifier, saving time and effort

Attaches the pacifier onto the baby's clothes, preventing it from getting lost

Clip-on feature enables older babies to use the pacifier independently, facilitating a faster soothing process

Some models double up as teethingers, providing dual benefits
