

Different Types Of Baby BOOTIES

Cotton booties feature a breathable design, ensuring comfort.

Fleece booties provide a cozy, snug fit and are easy to maintain.

Crochet booties feature an airy design ideal for summer.

Terry cotton booties feature stretchable fabric for a snug fit.

Booties with rolled cuffs prevent them from sliding down.

Boot-styled booties add a touch of glamor, perfect for special occasions.

Booties with faux fur lining keep the baby warm with style.

Calf-length booties provide ample coverage on cold winter days.
