

Different Types Of Wrist Watches For Women

Bangle-style watches

feature a fancy strapless, clamp-like closure.

Watches with ultra-thin straps

instantly bestow a dainty vibe to any look.

Metal chain watches

feature a typical metal-based strap, perfect for formal wear.

Leather band watches

subtly add a sophisticated charm to any attire.

Two-tone watches

feature golden and silver chainwork, perfectly complementing metal jewelry.

Resin band watches

are easy to clean and maintain, perfect for rugged conditions.

Mesh-style

metal chain watches exude a bold yet feminine glamor to your look.

Bracelet-style watches

showcase ornate chainwork and studded crystals, perfect for festive and party wear.
