

# Questions To Ask Your Date When Dating After 60

Have you retired from work or working?

What do you do for fun in your free time?

Are you in contact with your childhood friends?

Does age gap matter to you in a relationship?

What do love and friendship mean to you?

What is your idea of a perfect date/day?

What are the things that give you happiness now?

Which phase of your life has been the most memorable?
