Things To Consider Before Watching Teen Pregnancy Movies

If you're going to watch the movie with family and children, look for a film with PG or PG-13 rating.

Check for reviews of the film when choosing.

Be mindful of the potential impact that the movie may have on you and your family.

Consider your own feelings and beliefs about the topic.

Make sure that the movie does not mock or hurt anyone's feelings.

Do some research and consider the viewpoints and biases of the filmmakers about the topic.

Remember that movies may not accurately depict the experiences and realities of teen pregnancy.
