

What YOUR WOMAN Expects From You

Love and affection in the form of cute gestures and thoughtful words

A bit of admiration for the efforts she puts into making the house a home

Motivation to keep pushing forward toward her goal

Attention and attraction towards her to keep the spice and romance alive

Honor your commitments even if it is a trivial matter

Show equality when it comes to taking opinions or caring for the children

Be a friend with who she can be her real self without fearing being judged
