

# Creative Messages 1<sup>st</sup> To Write On A Birthday Cake

I completed my 1st  
trip around the sun!

Happy 1st birthday!  
Don't grow up  
too fast!

This is just the  
beginning!  
Happy 1st birthday!

I am One today!

Because on this day,  
a prince/princess  
was born.

Our blessing from  
God arrived on  
this day.
