

POSSIBLE REASONS

A MAN WANTS TO BE SINGLE

Desire to focus exclusively on their professional life.

Oblivious to the benefits of being in a relationship.

Financial and other personal **constraints**.

Fear of missing out on fun and excitement.

Fear of losing friends and freedom to flirt around.

Unwilling to take responsibilities.

Do not want to **lose their freedom**.

Being happy and content as a single.

Anxious about separation from their partner later in life.

Apprehensive about being **undesirable and being rejected**.

Scared of **challenges and sacrifices** a relationship entails.
