

## Reasons Why Older Woman & Younger Man Relationship May Work

Being more experienced, an older woman could be better at handling relationship problems.

Older women are financially more stable and independent, making them better at planning dates and common expenses.

It is a fulfilling relationship for older women, and younger men love the attention and care they receive from her.

Younger men respect and appreciate older women's professional growth.

Younger men may feel there are many things they can learn from an older woman.

Younger men find a great advisor and nurturer in older women.
