

Without you, my life wouldn't be complete. I wish you nothing but the best as you hit the four-decade mark.

Happy 40th birthday! You are officially a Distinguished Gentleman.

Still fun, foxy, and fabulous at 40. Happy birthday!

Don't think of it as your 40th birthday. Think of it as the 20th anniversary of your 20th birthday. Happiest birthday!

Middle age... when "happy hour" is a nap! Happy 40th!

Forty is the new awesome. Happy birthday.
