

# You Are My World And My Everything In It

.....

You are my world, and I want to have enough time to know the entire world fully.

.....

“

Words are not enough to say how much you mean to me!

”

.....

You are my heart, my life, my one and only thought.

.....

“

You are the source of my life, and you are also my life itself. You are the reason to live in this world, and you are the world itself.

”

.....

I don't need to go far away to see the world. My world is always with me when I stay with you.

.....

“

Perhaps, you are only one person in the world, but for me, you are the whole world.

”

.....

You are my favorite . . . everything. You are my entire world, my love.
